## INFORMATION FOR PARENTS AND GUARDIANS

### About the Aerojet Facility

- The parking lot is less than 100 yards from where all the activity will take place. Everything is either paved, cemented or manicured, flat grass.
- Three ponds, which will be planted with trout, will be available for fishing for the **physically challenged child only**. Limit is five fish but if someone is waiting for a rod and a child has already caught three fish, we ask that the child take a rest, take advantage of the many other activities, and then come back later to catch their limit.
- The children will be able to fish from the overhang from the cement staging area or from the grassy areas surrounding the ponds. There will be 1:1 supervision available (if requested) from members of California Striped Bass Association.
- Wheelchair accessible bathrooms are within 20 yards of the ponds. Medical professionals will be on hand.

### Other Information

- Though this is a family event, again, only the physically challenged child may fish. Siblings are more than welcome to take part in all the other activities.
- Fishing tackle and assistance if needed will be provided and all trout caught will be cleaned, bagged and put on ice until you leave.
- Food (hot dogs, sodas, chips) is served between 11:30 a.m. and 12:30 p.m.
- Activities include clowns, magician, face painting, finger painting, karaoke, games, prizes, and much, much more.
- It is ALL FREE.
- **PLEASE LIMIT PARTICIPANTS TO THE IMMEDIATE FAMILY**
